J. S. GUPTA, Dy. Secy.

New Delhi, the 31st December 1966

No. 3308, dated 12th Dec. 1966—The Union Public Service Commission will hold an examination at such places and on such dates as may be specified in the Notice issued by the Commission in this behalf for Direct Permanent Regular Commissions in the Army Medical Corps.

Serving Short Service Regular Commissioned Officers, Emergency Commissioned Officers and Reserve Officers in the Army Medical Corps are also eligible to appear at the examination provided they fulfil all the conditions and are eligible in all respects to take the examination.

2. The approximate number of permanent vacancies to be filled on the results of this examination will be specified in the Notice issued by the Commission.

3. The examination will be conducted by the Union Public Service Commission in the manner prescribed in Appendix I to the rules.

The dates on which and the places at which the examination shall be held shall be fixed by the Commission.

4. The candidates who obtain the minimum qualifying marks in the written examination as fixed by the Union Public Service Commission in their discretion shall appear before the Army Medical Corps Selection Board for practical and oral professional tests and interview. The maximum marks for these tests and interview are 500.

To be acceptable the candidates should secure the minimum qualifying marks separately at the written examination and at the tests and interview by the Army Medical Corps Selection Board, as may be fixed by the Commission in their discretion.

The Union Public Service Commission shall prepare a list of candidates in the order of merit as disclosed by the aggregate marks awarded to each candidate at the written examination and the tests and interview by Army Medical Corps Selection Board. Selection for grant of Commission in the Army Medical Corps will be made in order of merit depending on the number of vacancies available.

NOTE.—The form and manner of communication of the result of the examination to individual candidates shall be decided by the Commission in their discretion and the Commission will not enter into correspondence with them regarding the result.

5. (A) A candidate for this examination must not have attained the age of 30 years on the last day of the year in which the examination is held.

Provided that this age limit specified above will be relaxable up to maximum of one year if a candidate possesses a post-graduate diploma like DPH, DOMS, DA etc. and up to a maximum of two years if a candidate possesses a post-graduate degree like MD, MS or equivalent qualifications.

(B) A candidate with previous Commissioned service in the Army Medical Corps, i.e., who is either

(i) an ex-Short Service Commissioned/ex-Emergency Commissioned Officer; or

(ii) an ex-Short Service Commissioned/ex-Emergency Commissioned officer recalled to/volunteered for duty, and is in service on the date of this Notification, the present engagement not being in continuation of previous service; or

(iii) an ex-Short Service Commissioned officer who has been granted Emergency Commission in continuation of Short Service Commission, and is in service on date of this Notification; or

(iv) an ex-Emergency Commissioned officer who has been granted Short Service Commission in continuation of Emergency Commission and is in service on the date of this Notification,

will be entitled to extension of the age limit prescribed in para 5(A), read with proviso thereto, to the extent of

(a) full period of previous (i.e., prior to grant of present Short Service Commission/Emergency Commission, if any) reckonable service if such service was rendered while in possession of the qualification prescribed in Rule 6 below;

(b) full period of previous (i.e., prior to grant of present Short Service Commission/Emergency Commission, if any) reckonable service less two years if such service was rendered while in possession of a licentiate medical qualification.

SAVE AS PROVIDED ABOVE, THE AGE LIMITS PRESCRIBED CAN IN NO CASE BE RELAXED.

6. A candidate must possess a medical qualification included in the First Schedule or the Second Schedule or Part II of the Third Schedule, other than those holding licentiate medical qualifications, to the Indian Medical Council Act, 1956 and be registered on any State Medical Register.

NOTE.—Candidates who are not in a position to submit along with the applications documentary evidence in support of the above-mentioned qualifications may also apply. Their applications will be accepted provisionally, and they will be required to furnish the relevant documents as soon as possible, and in any case not later than two months after the commencement of this examination.

7. A candidate must be either :—

(a) a citizen of India; or

(b) a subject of Sikkim; or

(c) a subject of Bhutan; or

(d) a subject of Nepal; or

(e) a person of Indian origin who has migrated from Pakistan, Burma, Ceylon and East African countries of Kenya, Uganda and the United Republic of Tanzania (formerly Tanganyika and Zanzibar) with the intention of permanently settling in India.

Provided that a candidate belonging to categories (d) and (e) above shall be a person in whose favour a certificate of eligibility has been given by the Government of India, and if he belongs to category (e) the certificate of eligibility will be issued for a period of one year after which such a

candidate will be returned in service subject to his having acquired Indian citizenship.

Certificate of eligibility will not, however, be necessary in the case of candidates belonging to any one of the following categories :—

- (i) Persons who migrated to India from Pakistan before the nineteenth day of July, 1948, and have ordinarily been residing in India since then.
- (ii) Persons who migrated to India from Pakistan on or after the nineteenth day of July, 1948, and have got themselves registered as citizens under Article 6 of the Constitution.
- (iii) Non-citizens in category (c) above, who entered service under the Government of India before the commencement of the Constitution, viz., 26th January, 1950 and who have continued in such service since then. Any such person who re-entered or may re-enter such service with break after the 26th January, 1950, will, however, require certificate of eligibility in the usual way.

A candidate in whose case a certificate of eligibility is necessary may be admitted to the examination and he may also provisionally be granted Commission subject to the necessity of certificate being given to him by the Government.

No male candidate who has more than one wife or who having a spouse living, marries in any case such marriage is void by reason of its taking place during the life-time of such spouse, shall be eligible for grant of commission on the results of this competitive examination unless the Government of India, after being satisfied that there are special grounds for doing so, exempt any male candidate from the operation of this rule.

(b) No female candidate whose marriage is void by reason of the husband having a wife living at the time of such marriage or who has married a person who has a wife living at the time of such marriage shall be eligible for grant of Commission on the result of this competitive examination unless the Government of India, after being satisfied that there are special grounds for doing so, exempt any female candidate from the operation of this rule.

9. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient discharge of his duties as an officer of the Corps. The physical standards for Commissions in the Army Medical Corps are as laid down in Appendix II. A candidate, who after such medical examination as may be prescribed by the competent authority, is found not to satisfy these requirements will not be granted Commission. Only such candidates as are likely to be considered for grant of Commission will be medically examined.

10. Success in the examination confers no right for grant of Commission in the Army Medical Corps, unless the Government are satisfied, after such enquiries as may be considered necessary that the candidate is suitable in all respects for grant of Commission.

11. The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

12. No candidate will be admitted to the examination unless he holds a certificate of admission from the Commission.

13. A candidate who is or has been declared by the Commission guilty of impersonation or of submitting fabricated documents or documents which have been tampered with or of making statements which are incorrect or false or of suppressing material information or otherwise resorting to any other irregular or improper means for obtaining admission to the examination, or of using or attempting to use unfair means in the examination hall or of misbehaviour in the examination hall, may in addition to rendering himself liable to criminal prosecution :—

(a) be debarred permanently or for a specified period :—

(i) by the Commission, from admission to any examination or appearance at any interview held by the Commission for selection of candidates; and

(ii) by the Central Government from employment under them;

(b) be liable to disciplinary action under the appropriate rules, if he is already in service under Government.

14. Any attempt on the part of a candidate to obtain support for his candidature by any means may disqualify him for admission.

15. Candidates must pay the fee prescribed in Annexure I to the Commission's Notice.

16. Brief particulars of service are given in Appendix III.

17. Civilian Candidates not selected for the grant of Direct Permanent Regular Commission may be considered for Short

Service Regular Commission or Emergency Commission, if they so desire.

#### APPENDIX II

##### PHYSICAL STANDARDS FOR COMMISSION IN THE ARMY MEDICAL CORPS

1. To be passed fit, a candidate must be in good physical and mental health and free from any disability likely to interfere with the efficient performance of duty.

2. It will, however, be ensured that

(a) there is no evidence of weak constitution, imperfect development, serious malformation or obesity;

(b) there is no maldevelopment or impairment of function of the bones or joints;

(c) there is no impediment of speech;

(d) there is no malformation of the head, deformity from fracture or depression of the bones of the skull;

(e) there is no impaired hearing, discharge from or disease of either ear, unhealed perforation of the tympanic membranes or signs of acute or chronic suppurative otitis media or evidence of radical or modified radical mastoid operation;

- (f) there is no disease of the bones or cartilages of the nose or nasal polypus or disease of the nasopharynx;
- (g) there are no enlarged glands in the neck and other parts of the body and that the thyroid gland is normal;

*N.B.*—Scars of operations for the removal of tuberculous glands are not a cause for rejection provided that there has been no active disease within the preceding 5 years and the chest is clinically and radiologically clear.

- (h) there is no disease of the throat, palate, tonsils or gums, or any disease or injury affecting the normal function of either Mandibular joint;

*N.B.*—Simple hypertrophy of the tonsils, if there is no history of attacks of tonsillitis, is not a cause for rejection.

- (i) there is no sign of functional or organic disease of the heart and blood vessels;
- (j) there is no evidence of pulmonary tuberculosis or previous history of this disease or any other chronic disease of the lungs;
- (k) there is no evidence of any disease of the digestive system including any abnormality of the liver and spleen;
- (l) there is no hernia or tendency thereto;
- (m) there is no hydrocele, or definite varicocele or any other disease or defect of the genital organs;

*N.B.*—A candidate who has been operated for a hydrocele will be accepted if there are no abnormalities of the cord and testicle and there is no evidence of filariasis.

- (n) there is no fistula and/or fissure of the anus or evidence of haemorrhoids;
- (o) there is no disease of the kidneys. All cases of Glycosuria and Albuminuria will be rejected.
- (p) there is no disease of the skin, unless temporary or trivial. Scars which by their extent or position cause or are likely to cause disability or marked disfigurement, are a cause for rejection;
- (q) there is no active latent or congenital venereal disease;
- (r) there is no history or evidence of mental disease. Candidates suffering from epilepsy, incontinence of urine, or enuresis will not be accepted.
- (s) there is no squint or morbid condition of the eye or of the lids which is liable to a risk of aggravation or recurrence;
- (t) there is no active trachoma or its complications.

*N.B.*—Remedial operations are to be performed prior to entry. No guarantee is given to ultimate acceptance and it should be clearly understood by the candidates that the decision whether an operation is desirable or necessary is one to be made by his private medical adviser. The Government will accept no liability regarding the result of operation or any expense incurred.

### 3. Standards for Height, Weight & Chest measurements.

(a) *Height.*—The height of a candidate will be measured by making him stand against the standard with his feet together. The weight should be thrown on the heels and not on the toes or outer side of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in centimetres and parts of a centimetre to halves. The minimum height for a candidate is 157.5 cm. except in the case of Gorkhas, Nepalese, Assamese and Garhwali candidates for whom the minimum height is 152 cm. Candidates who are otherwise fit in all respects but fall short of minimum height by 1.3 cm. or less, will be treated as special cases and relaxation allowed to the extent of 1.3 cm.

(b) *Weight.*—(i) Weight will be taken with candidates fully stripped or with underpants only. In recording weight fractions of half a kg. will not be noted. A table showing correlation between height, age and average weight is given below for guidance.

Age Period		20—24	25—29	30—34
Height	Weight	Weight	Weight	
(Cm)	(Kg.)	(Kg.)	(Kg.)	
157.5	49.5	51.5	52.5	
160.0	51.0	52.5	54.0	
162.5	52.5	54.0	55.5	
165.0	53.5	56.0	57.0	
167.5	55.5	57.0	58.0	
170.0	57.0	58.5	60.0	
172.5	58.5	60.5	62.0	
175.0	60.5	62.0	64.0	
178.0	62.0	64.0	66.0	
180.0	64.0	66.0	68.5	
183.0	66.0	69.0	71.0	

(ii) It is not possible to lay down precise standards for weight in relation to height and age. The correlation table is, therefore, only a guide and cannot be applied universally. A 10 per cent departure from the average weight given in the table is to be considered as within normal limits. There may nevertheless be some individuals who according to the above standard may be over-weight but from the general build of the body are fit in every respect. The over-weight in such cases may be due to heavy bones and muscular development and not to obesity. Similarly for those who are under-weight the criteria should be the general build of the body and proportions of development rather than rigid adherence to the standards in the above table.

(c) *Chest.*—The chest should be well developed with a minimum range of expansion of 5 cm. The candidate's chest will be measured by making him stand erect with his feet together and his arms raised over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side. Care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times and the maximum and minimum expansion of the chest will be carefully noted. The minimum and maximum will then be recorded in cm, thus 84/89, 86/91, etc.

In recording the measurement, fractions of less than half a centimetre should not be noted.

4. *Dental conditions.*—It should be ensured that sufficient number of sound natural teeth are present for efficient mastication:—

- (a) In order to assess the dental condition of a candidate, teeth in apposition with corresponding teeth in the other jaw will be allotted points as follows:—
- (i) Central incisor, lateral incisor, canine, 2nd premolar and under developed third molar 1 point each.

- (ii) 1st and 2nd molar and fully developed third molar 2 points

When all 32 teeth are present there will be a total of 22 points.

- (b) A candidate must have a minimum of 14 dental points to be acceptable.

- (c) The following teeth in good functional apposition must be present in each jaw

- (i) Any 4 of 6 anteriors.
- (ii) Any 6 of 10 posteriors.

- (d) Candidate suffering from severe pyorrhoea will be rejected. When the stage of pyorrhoea is such that in the opinion of the Dental Officer it can be cured without extraction of teeth, the candidate may be accepted. Candidates may be accepted if they have well fitting artificial dentures in lieu of sound teeth.

5. *Visual standards.*—The minimum acceptable standards of visual acuity are given below

	Better eye	Worse eye
Distant Vision (corrected)	6/6	6/18
Near Vision (corrected)	J1	J6

Myopia of not more than—5.5D in one meridian.

Hypermetropia of not more than +3.5D in any one meridian.

Notes: (i) Fundus and Media to be healthy and within normal limits.

- (ii) No undue degenerative signs of vitreous or chorioretina to be present suggesting progressive myopia.

- (iii) Should have good binocular vision, fusion faculty and full field vision in both eyes.

- (iv) There should be no organic disease likely to cause exacerbations or deterioration.

*Field of vision.*—Normal in each eye as tested by confrontation test.

*Colour vision.*—Colour vision less than 'Defective' safe. (Ishihara plates) will be a cause of rejection. Substandard colour perception will be recorded as 'Below Defective Safe' and 'Defective Unsafe'.

In all cases, where glasses are worn and where a candidate is examined by an Ophthalmologist, power of lenses must be noted.

6. *Hearing Standard.*—Should with the back to the examiner be able to hear a forced whisper at a distance of 609.5 cm with each ear separately.

7. The above physical standards will also apply to female candidates except for the following :—

- (a) The height and weight need not conform to the existing height and weight table for men. Minimum height and weight should be 142.0 cm. and 36.0 kg. respectively.
- (b) The girth and the general development of the chest also need not conform to what is laid down in the existing physical standards for men. The candidate should, however, be capable of a chest expansion of 5 cm.

### APPENDIX III

particulars of the service are given below :—

led information may, if desired, be obtained from Director General, Armed Forces Medical Service, Ministry of Defence, New Delhi).

...ent

nk granted on entry in the AMC will be as under—

- (b) **Lieut.**—If the individual possesses the provisional Medical Registration Certificate and has not completed the Compulsory Pre-registration internship as prescribed by the concerned University/Medical institution.

#### 2. Period of Probation

An officer will be on probation for two years. During this period he will be required to undergo such training and tests as may be prescribed from time to time. SSRC/EC/Reserve Officers who are granted PRCs will not however be required to undergo any probation unless they have less than 2 years' SSRC/EC/Reserve service, in which case they will be on probation for the balance of 2 years.

As officer's confirmation will be subject to his attaining a reasonable standard of proficiency and to his being reported upon satisfactorily. If an officer is reported upon during his probationary period as unsuitable to retain his commission, it may be terminated at any time before or after the expiry of his probationary period after one month's notice.

#### 3. Liability of Service

An officer will be liable for service in any part of the world and in any branch of the Armed Forces, i.e., Army Navy or Air Force.

#### 4. Antedate of Commission

An officer will be legible for grant of antedate as under :—

- (a) An antedate of six months, for holding an approved whole-time appointment in a recognised civil hospital for a minimum period of six months.
- (b) An antedate of six months, if at the time of selection he is in possession of a post-graduate diploma in any branch of medical science recognised by the Indian Medical Council provided that the course of instruction in a recognised institution is at least for a period of 9 months to qualify for the diploma.
- (c) An antedate of 12 months, if at the time of selection, he is in possession of a high post-graduate qualification like M.D., M.S., etc. obtained by examination from a recognised institution.
- (d) In the case of a candidate, who is eligible for antedate under more than one of the preceding subparagraphs, the maximum period of antedate will be limited to 12 months.
- (e) Antedate for previous full pay commissioned service will be admissible in accordance with the rules in force.
- (f) Eligibility for each candidate for the grant of antedate in accordance with the preceding subparagraphs, will be decided by the Director General, Armed Forces Medical Services.

#### 5. Promotion

Promotion is by time scale up to the rank of Lieutenant Colonel and thereafter by selection on grounds of ability and merit.

Provided that an officer is in all respects qualified and recommended, he is normally promoted, as follows :—

(a) **Capt.**—Those who enter the AMC in the rank of Lt. in accordance with para 1(b) above will be promoted to the rank of Capt. on completion of 6 months or 12 months' service depending upon the period of internship as prescribed by the concerned University/Medical Institution.

(b) **Major.**—On completion of 6 years reckonable service as Captain provided the officer completes satisfactorily the Senior Officers' Course in the Armed Forces Medical College and qualifies in the Examination prescribed for this purpose.

**NOTE :** Each officer will be given three chances to pass the Senior Officers' Course subject to the conditions that he must avail himself of all chances before completion of 9 years service. If he does not pass the Course before completion of 9 years service, he will be compulsorily retired with any gratuity that may be admissible.

(c) **Lt. Col.**—(i) On Completion of 16½ years reckonable service.

(ii) Officers mentioned in category 1(b) above—on completion of 17 years of 17½ years reckonable service, depending on whether the period of internship prescribed is 6 months or one year respectively.

Promotion to the rank of Colonel and above is by selection.
